

Check out our newest additions in Sports Bras with unique features that you look for in a great Sports Bra...superior support, breath ability, seamless, great shaping and comfort.

Check out these Front Close Bras - available in light and firm support.

Our "Newest" LeUnique Style - New Confidante - #311 - Similar to our previous Confidante Bra, but in a smooth cup.

The silky fabric and lace add a touch of pure femininity and has excellent support without underwire!

Perfect for sweaters and t-shirts!

Available in Beige and Black in an extensive range of sizes.

Posture Perfect Support Vest

If you have a tendency to slouch, the Posture Perfect Vest allows you to hold and maintain correct posture. As it holds the shoulders back, it helps prevent fatigue, and it helps put less stress on neck and back muscles. The Posture Perfect provides improved body alignment. Please note that the bra is sold separately.

Waist sizes: 28" to 40". Available in white.

Classic Bra

The success of the Classic bra design is all in the engineering. Instead of having the weight of the breasts supported by shoulder straps, our patented Banderin acts like a shelf and provides complete support from underneath the breasts, while allowing healthy circulation to take place. All surrounding breast tissue is redirected into the cup. The Classic Bra complements every figure.

Available in white, beige and black in an extensive range of sizes.

Pregnancy Support

At last, there is help to carry the baby easily during pregnancy! Strain is eased while providing a firm support to the back, and it eliminates any possible discomforts. It also expands with you during pregnancy.

Sizes: Junior Petite to 6X. Available in white.

Confidante Bra

This bra style provides proper support, while maintaining the natural shape and fullness of the breast. The Confidante Bra's silky fabric and lace add a touch of pure femininity, and its excellent design proves that bras can be both stylish and comfortable.

Available in beige and black in an extensive range of sizes.

Tummy Tuck

Provides a lift to the abdomen area and counteracts the pull of gravity. It helps alleviate menstrual cramps, hernia conditions, chronic backache, and those who spend a lot of time on their feet, experience much less fatigue. It also helps women regain their pre-pregnancy shape.

Sizes: Junior Petite to 6X. Available in white.

Fashion Figure Control (FFC)

Achieve both comfort and a slim silhouette with our patented, light-weight control garment. Made from Lycra, it provides abdominal support, relieves lower back pressure, and slims the inner and outer thighs without restricting circulation. The FFCs are available in Brief, Medium and Long Leg styles in a variety of sizes.

Available in white, beige and black (Brief not available in black)

One of our most popular... Smoothie Cup Bra

The Smoothie Cup Bra, with its seamless cup, brings together great contour and natural feel. Also called the ultimate "T-shirt" bra, this bra style offers the same great support that continues to make new customers, repeat customers. It molds perfectly to your shape and redefines your whole silhouette.

Available in white, beige and black in an extensive range of sizes.

Mastectomy Fashions (from here to the bottom of the page.)

Been-A-Boob®

You have more choices than you think. Why not try the Been-A-Boob?

The Been-A-Boob® is a unique breast prosthesis which is made of soft fabric with a special filling which imitates a natural breast. It is lightweight, comfortable and cool. It will fit into any regular mastectomy bra, swimsuit, and Janac sport tops. After surgery many women find their chest area is uneven. The Been-A-Boob® will fill in those areas and help to make them look like they did before their surgery. Thus whether you are running a marathon, participating in an exercise class, or working around the house, nobody will know you are wearing a prosthesis.

Summary

- Made with soft comfortable material
- Has a special filling that simulates a natural breast
- Can be worn in a swimsuit, regular mastectomy bra and Janac sport tops
- Hand washable

Spirit Been-A-Boob®

The Spirit Been-A-Boob® is for any woman who has either had one or two mastectomies or has naturally uneven breast sizes. It is available in 13 sizes.

Sizes 1, 2, and 3 are available in 6" and 7" diameter casings. The 6" is recommended for use in regular mastectomy bras and swimsuits. The 7" is recommended for use in Janac sports tops.
